# Event

A hand-drawn sketch of a user interface for searching events. At the top, there is a header bar with a house icon, the text "Categories ▾ What are you looking for?", and a search bar with a magnifying glass icon. Below the header, the title "Stargate Express" is written in large, bold letters. Underneath the title, there are three rectangular boxes, each containing the text "\*picture". Below these boxes, there are three event entries, each consisting of a date and time range followed by a "buy" button. The first event is "November 16<sup>th</sup> 16:00 - 20:00" with a "buy" button. The second event is "November 20<sup>th</sup> 15:00 - 19:00" with a "buy" button. The third event is "October 3<sup>rd</sup> 18:00 - 23:00" with a "buy" button. At the bottom, there is a large, empty rectangular box labeled "\* Description of the event".

Categories ▾ What are you looking for?

Stargate Express
